

2020 MARE BREEDING PASSPORT – FOR BREEDING TO ROYAL TOURMALET SPF

To be completed and returned when mare is bred in order for STALLION OWNER to issue a Breeding Certificate.

BREEDER NAME:

REGISTERED NAME OF MARE:

MARE REGISTRATION #:

FOAL REGISTRY:

I, the undersigned Veterinarian or authorized Breeding Manager, certify the following:

1. That on the following days, I artificially inseminated the mare identified above with the semen of the stallion Royal Tourmalet SPF (STALLION).
2. I personally verified the name of the STALLION on the cooled semen paperwork or on the name and lot number on the straws of frozen semen.
3. All inseminations were carried out in accordance with the standard veterinarian practices.
4. No other mare was inseminated with the STALLION semen designated for this mare and that any excess frozen semen hereto was promptly returned to SBS (Maryland) or destroyed per direction from Stallion Owner.

FURTHER, I certify that I am not an agent for Joanna Gray-Randle, ERC and/or SBS and that I will indemnify and hold harmless Joanna Gray-Randle, ERC and/or SBS from any claims arising from the negligent, improper or ineffective insemination by me.

INSEMINATION RECORD List All Insemination Dates	
Insemination Date	Veterinarian Signature
1.	
2.	
3.	
4.
